

## 24 Hours to Give Where Your Heart Is ...

Join us for the *Big Day of Giving*! Tomorrow our community will come together to continue the tradition which is now woven into our regional identity: for one 24-hour stretch, the community will give to the hundreds of nonprofits that strengthen the Sacramento region every day. *Big Day of Giving* is the culmination of an entire year's worth of community-building and collaboration, made possible by the generosity of our region's donors and our many community partners, who have supported this movement from the beginning.

**Big  
Day of  
Giving**  
**MAY 2**

**Stage Right Productions** continues to entertain thanks to your dedication and generous support. In 2019 we are presenting **Annie Kids** (May), **Best of Broadway** (July) and **A Christmas Carol** (December).

When you make a gift to Stage Right Productions, you keep theatre and the arts alive in our community. The reality is that producing theatre requires an investment of time, energy and money. Before the tickets are sold and the show begins, the rights to the show must be purchased, the theatre, lights, sound, costumes and so much more must be paid for....**thousands of dollars** before each show begins. In order to be sustainable, critical fundraising must take place. Please support Stage Right's mission of

*Building community, on stage and off, one show at a time.*
